Make A Splash!

Looking for a quick way to cool down?

The Colonnade Hotel Boston: Get your suntan lotion ready! Boston's only Roof Top Pool, nicknamed RTP, is an exquisite spot for dining al fresco, with captivating views of the

Boston cityscape. Sunset cocktails, summer outings and seasonal events are all popular uses for this one-of-a-kind spot. Come take a break at RTP and enjoy an invigorating swim, read a book, or just relax in the sun. The pool is open to the public Monday - Friday for a flat rate of \$40 per person per day. This year the hotel is offering a 1/2 day rate at \$20/pp from 3pm until close. For all info click [here](#).

Chatham Bars Inn:

The Beach House Grill, a seasonal restaurant and bar with outdoor seating right over the sand of the five-star resort's private beach and pool, is open to the public, though most of the public doesn't seem to be aware of this, with a Cape Cod clambake four nights a week. Slap on the sunscreen, grab a lobster roll, and take a dip! [Chatham Bars Inn](#)

Outdoor Entertaining

Do you have plans to entertain outdoors this summer? We wanted to share some tips with you in order to make your outdoor space a comfortable and fun place to be this summer. Check out the following tips and contact Fini Concierge if you need assistance planning your event.

Plan ahead: order invitations, reserve outdoor furniture rentals, and book a caterer or order food well in advance.

Make a home inventory list to be sure to have bar supplies, food supplies, cleaning supplies and paper supplies

Make sure **food is in a shaded area**, ideally under a tent

Have a rain date in place, or a full covered and heated space for guests in case of rain

Arrange for **trash storage** during your event and for **trash removal** after the event

Consider other outdoor items that you may need such as sun umbrellas, bug spray, citronella candles, and space heaters

For more information, assistance, and/or checklists to plan for your event contact Fini Concierge.

Wine of the Month

Bodegas Borsao 2009 Tres Picos

"Tres Picos is the perfect marriage between new-found technologies and time-tested traditions; a union which imparts gorgeous shades of purple and affluent notes of beautifully ripe berries. A soft, round and pleasing texture is preceded by a full-bodied and succulent essence of bursting black fruits. In the smooth finish, elements of spice, vanilla

and mocha linger decadently."

(fyi: this is a Grenache, not a Cab, however it's so darn delicious, it's hard to tell the difference)

1-5 bottles price: \$16.50

6+ bottles price: \$15.30

Please click on the following link to order your wine. Once your order is submitted Fini Concierge will take care of the details.
